

Swingfield's WEEKLY LINE UP

Monday 1st September 2026

NOTICES

PE will be on Monday and Friday afternoons. Monday will be basketball and Friday OAA.

WELCOME

Welcome back to a new school year! I hope you had a good summer and your child is looking forward to seeing their peers and doing lots of learning :).

ATTENDANCE

Please start a conversation with us if there is something preventing your child's attendance.

Maths

We will begin the term with work on place value up to 1,000,000 building up to reading and writing numbers up to 10,000,000.

English

In English we will read biographies of astronauts and identify the features and language of biographies. We will research the life of Neil Armstrong and write an engaging biography using time connectives, past tense, a formal tone and coordinating and subordinating conjunctions..

Support their Learning

[Watch this video about Place Value](#)

BBC Bitesize—[What is Place Value?](#)

Encourage them to play these games to help your understanding of place value..

[Place Value Basketball](#)

[Place Value Who Wants to be a Millionaire](#)

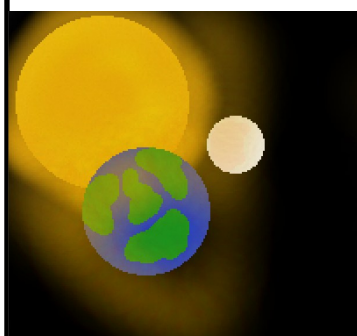

Support their learning

Can you find out anything about astronauts that are going into space today?

If you feel it is appropriate for your child, there is a great film about Neil Armstrong called First Man (it is a 12A which means viewing with an adult for under 12s)

TOPIC—

We will learn about the Sun, Earth and Moon.

Water Bottles

Children are being permitted to bring in their own water bottles from this term. Please do not provide squash unless you have an arrangement with the school already.

There is barely any space on Swingfield desks as they have lift-up tops. Therefore, large Stanley cup style bottles will not work..... Please provide a standard size bottle. If you do not have one, I can give them a school one.

RE—This term's question is...

What does it mean if God is Loving and Holy?
