

Swingfield's

WEEKLY LINE UP

Monday 7th September 2026

NOTICES

PE will be on Monday and Friday afternoons. Monday will be basketball and Friday OAA.

WELCOME

I have been so impressed by the attitude and learning behaviour of everyone so far. What a great start!

ATTENDANCE

Please start a conversation with us if there is something preventing your child's attendance.

Maths

We will continue with work on place value up to 1,000,000 building up to reading and writing numbers up to 10,000,000. We will learn about Powers of 10 and how to multiply and divide by 10, 100 and 1000.

English

In English we will read biographies of astronauts and identify the features and language of biographies. We will research the life of Neil Armstrong and write an engaging biography using time connectives, past tense, a formal tone and coordinating and subordinating conjunctions..

Support their Learning

[Watch this video about Place Value](#)

BBC Bitesize—[What is Place Value?](#)

Encourage them to play these games to help your understanding of place value..

[Place Value Basketball](#)

[Place Value Who Wants to be a Millionaire](#)

Support their learning

Have you read a biography? Share your reading experiences with your child.

TOPIC—

We will investigate why humans wanted to go into space and learn about the Space Race and how that drove progress in space flight.

Spellings

This week, we will be assessing where the children are with spelling and how we are going to cater for their individual needs. Please watch this space for spellings next week. Until then, Spelling Shed is available as normal for practice.

There is a spelling test as part of SATS at the end of year 6. Please see [this list](#) so that you can understand the expectation that is set by the government in this regard.

RE—This term's question is... **What does it mean if God is Loving and Holy?**

We will think about what God is like and design our own gods
