WEEKLY LINE UP – Acorns

From Tiny Acorns Mighty Oaks Grow Within the Love of God

Friday 18th September
Term 1 Week 3

This week

Acorn class have had a wonderful first full week of school. They have been making lots of connections and it has been fantastic to see them grow in confidence with one another. On Friday, we attended our first whole school worship and enjoyed being celebrated in the Selsted 'Gold Book'. Each lunch time, the acorns have really enjoyed playing with a range of children across the year group and exploring the different resources outside. We can't wait to see what next week will bring!

PE

The acorns have shown so much enthusiasm for PE this year and have already made great progress. In basketball, we learnt how to bounce the ball safely and practiced catching a 'bounce pass' from our friends.

Happy to be Me!

This week, we have been thinking about how we can communicate with others. We learnt a few basic Makaton signs and practiced using these within our school day. As well as this, we joined in with Makaton signed nursery rhymes and songs.

Learning Journals

We have thoroughly enjoyed looking through the children's learning journals this week and they have shown so much pride in sharing these with the other acorn children.

Maths

We have focusing on comparing and matching. To do this, we have been working on finding similarities in objects and pictures. We matched a selection of objects to their images as well as creating and playing our own game of 'snap'.

Phonics

We have continued to learn our new sounds. This week we have learnt g,o,c,k and the matching images. This week, we have learnt our first tricky word – 'is'. We have also been practicing our blending and reading of simple words such as 'kit', 'pot' and 'cat'.

In Busy Acorn Time, the children have been sorting the correct objects in to their initial sounds and we have been so impressed with their knowledge already. Well done Acorns!
