

WEEKLY LINE UP – Wootton

From Tiny Acorns Mighty Oaks Grow Within the Love of God

Monday 12th October
Term 1 Week 7

Maths

In Maths this week, we will learn about number bonds and addition facts (fact families).

We will start the week by remembering what is meant by a number bond from our learning at the end of last week. We will understand that a number bond is where you add two numbers together to make another. Together, we will briefly recall how we can find our number bonds to 10. Then our attention will turn to thinking about how these will relate to our number bonds to 20, by spotting a pattern, for example: $2+8=10$, $12+8=20$. Towards the end of the week, we will start to look at how we can use the same 3 numbers to write some addition facts. For example, $4+6=10$, $6+4=10$, $10=6+4$ and $10=4+6$.

What can you do at home?

Year ones- Can you practise your number bonds to 10? For an extra challenge, can you find them all in order? Start with $10+0=10$ and go from there. What patterns do you notice?

Year twos- Choose a number bond to 10 or for more of a challenge 20. Can you write all of the addition facts for that number bond? Don't forget Times Table Rockstars.

English

In English this week, we will be looking at poetry.

At the start of the start of the week, we will look at some examples of poems and together, we will discuss the features we can see. These will include lines, verses, rhymes, similes (like a...) repetition, etc.

After this, we will look at a poem called 'Playdough People' by Tony Mitton. Inspired by this poem, we will use playdough to create our own playdough person, before labelling it with adjectives.

Once we have finished creating and labelling our playdough person, we will move on to looking at rhymes. We will learn how a rhyme is where the first sound of the word changes but the second part of it stays the same.

We will take each of our adjectives and list some rhyming words to match, before having a go at using the poem to create our own.

What can you do at home?

- Reading
- Spelling Group: practise your spelling words for this week- kn and gn make (n): knock, know, knee, knew, kneel, knit, knight, gnome, gnat, gnaw.
- Common Exception Words: Have a go at our 'b' common exception words- be, by (year 1) because, behind, beautiful, both, busy, bath, break (year 2).
- Have a go at another one of the six activities.

Also this week

Also this week, in PE, we will be continuing to improve our shooting skills in basketballs and continuing to play some matches. In our OAA session, we will enjoy using our skills to complete the trails around the school grounds. In RE, we will be continuing to think about what we are thankful for in our World, where we will be writing our own thankfulness journal and will be practising for our Harvest Festival. In Dimensions, we will be planning and presenting our own weather forecasts and we will be exploring different materials in Science. Our attendance last week was 98.3% and we won Woody the Attendance Bear! We hope you all have a lovely week.

Miss Ive, Mrs. Smee and Mrs. Carter
